

GRATEFUL FOR 40 YEARS OF SERVICE

After 40 years of faithful service Steve and Terry Hankins will be stepping down from their leadership and care for Sky Lodge on August 31, 2024. They are currently searching for a “fixer-upper” home in the Montello area so they can begin preparing the space for retirement. Steve and Terry have served tirelessly and sacrificially and will be missed, though they won’t be too far away and will remain a vital resource for Sky Lodge as needed. They will miss the kids, friendships, and the staff team.

Please be in prayer for Steve and Terry as they search for a home, work on logistical steps for themselves and Sky Lodge, and for good health as they transition to a new phase of their lives.

In the months ahead there will be opportunities to celebrate the Hankins and send them off with blessings and appreciation. We offer our sincere thanks for their kindness, hard work, and leadership. We pray God’s richest blessings upon them as they enjoy retirement.
