# ZONE STAFF ALUMNI

ANNA JOHNSON

CREW: 2008-10 GRADUATE: 2011 FOREMAN: 2012-13

## What is your favorite memory of being on the Zone Staff?

I don't think I could ever just pick one but some of favorite experiences happened during my first summer as a foreman. Brian, Hannah and I had the same morning off and we'd often spend that time together. One morning we packed a picnic and canoed out to grassy spot and just shared stories and lives. This instants in particular stands out in my heart because that kind of blissful community building defined that summer for me.

## How has the Zone influenced you?

It's hard to put into words the magnitude of what Christ has done in me through the Zone. So much of who I am, God shaped through the Zone. He used this place to instill a desire to serve Him with my whole heart and taught me what a Christ centered community is supposed to look like. However the most impact full part of growing up in the Zone is how often I've been able to watch camp change lives in huge ways and that sets me on fire. He has shaped my heart for this ministry and I can't get away. I'm continually amazed at the different ways God uses us to call souls to Himself here. I'm so blessed to be a part of that.
