Dear Grian Bertler,

I hear that next week Paintball Plus is coming. Can you expand on why Paintball Crew is the best crew?

Sincerely,
Cyler Tox

Dear Cyler,

I am so so happy you asked. I'd like to begin by mentioning that Paintball Plus will be a blast, and I can't wait to shoot all the lovely campers. Now, along the lines of Paintball being the best crew, I'd like to mention that all other crews (except Pool) are really fun and entertaining. Paintball, however, is the funnest and entertainingest of all because of the extremely handsome and very talented, but not dumpy looking, Paintball Foreman. His name is Brian and he likes to win! The graduate position is filled with the very chivalrous Tyler Cox. He may look like a rough rider, but don't let his exterior fool you, he's a sweetheart with a knack for the ladies. That, my friend, is why paintball crew is the best!

Yours truly,
Grian Bertler
