Cowgirl Camp!

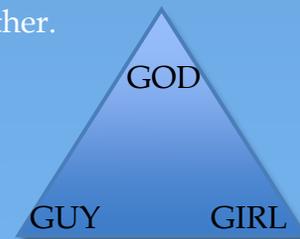

Staff Outing

On Saturday, we get to go to NOAH'S ARK!

Gentlemen Tips from a Woman:

- ~It is so nice when doors are held open for us.
- ~We actually do need help with heavy things.
- ~Flowers are still oh so sweet.
- ~It is appreciated when the guy pays on the date.
- ~Though "old-fashioned," letters are glorious to receive.
- ~Keep yourself healthy. Feed yourself good food; make sure you exercise. That's attractive.
- ~Clean up after yourself.
- ~Look women right in the eyes. You are more trustworthy that way.
- ~LOVE JESUS. Having a personal relationship with Christ will draw that special someone closer to you, more than anything else can.

--> Check out this "Brianesque" diagram. As the guy and the girl get closer to God, they ALSO become closer to one another.
