This year, Graduate employment is expected to run through 5 PM on August 14. There is some flexibility, but only if completely necessary. Your availability may affect our decision to hire you.

We count on you being able to fully commit to the dates and times listed on your contract, but we understand that sometimes exceptions need to be made. If there is a special occasion and an additional day off is needed, prior arrangements should be made as far in advance as possible. If you already know specific events you'd like to request off for this summer, please list them here. (Include dates.)

Please select the 3 positions you would most like to be considered for (1 for first choice, 2 for second, 3 for third). If you are only interested in one position, that is fine. A description for each position can be found on our website.

	I understand that participation in the Zone is a direct service to the Lord within a community that requires sacrificing personal desires in the interest of others. In light of that I have carefully examined my personal motives, sought God's guidance in the matter, and answered all the questions on the application with complete honesty.
--	--

Furthermore, upon acceptance of my Zone contract, I will actively strive to:

	Remain until the ending dates and times of my contract.
--	---

	Submit to all the rules and guidelines found in the Zone Handbook while on or off the camp property the entire duration of my Zone contract
