### Rake-a-thon Information:

Camp is a great experience - full of new and long-time favorite activities, building friendships, and lessons in faith. When we earn something, we seem to enjoy it more. The camper listed here wants to earn their way to Sky Lodge this summer.

This camper will be working at Sky Lodge for our annual spring Rake-a-thon to help clear away the fall/winter debris from the campgrounds. It is anticipated that the kids will work alongside their parents and our staff for a six hour day. Would you consider making a pledge to help this camper earn their way to camp this summer?

Thank You,

Rachel Klein  
Camp Director

### Instructions:

- Fill out the form on the back of this page. Be sure to give your complete address.
- Fill in the pledge amount per hour. You can also indicate if you want to pledge a flat rate amount.

#### Examples:

2.50 per hour x 6 hours = \$15.00 toward camp      5.00 per hour x 6 = \$30.00 toward camp  
7.50 per hour x 6 hours = \$45.00 toward camp      10.00 per hour x 6 = \$60.00 toward camp

- Sky Lodge will send you the number of hours the camper worked along with a return envelope to send your contribution to the campers week at Sky Lodge by June 1st.
- Sky Lodge will hold the campers earnings in a special restricted account and apply it toward the camp session.

**Rake-a-thon Money Policy**—Any funds received from sponsorships and rake-a-thon pledges will go directly toward camp fees first, then to additional activity class fees (if desired by the camper), then \$25 to Hitching Post (camp store) money. Any funds raised above the amount needed to cover the costs listed will go toward our campership fund. If a camper must unexpectedly cancel their camp reservation, all the funds earned will go into the campership fund.

***VERY IMPORTANT!*** Camper: **Remember to bring this form to the Rake-a-thon!**
